

## Proofs

Following your session you will schedule a viewing time so that we may take time to prepare your images.

At your viewing time you will be asked to narrow down your selection for a contact sheet. Please have the decision makers present at this time or please schedule another viewing time.

From the contact sheet you will make your proof selections and order.

**Limited proofs will be included with all the Session Fees.**

Contact sheets will be ready to pick up 2-3 weeks after selection.

**Contact sheet must be returned with proofs selected within 3 weeks.**

**Otherwise proofs are no longer included with the session.**

They are "as is" with no retouching or acrylic protection included.

Additional 4x6 proofs may be purchased for \$4.00 each.

**Proofs are only available with the first order.**

After that order they will be priced as 5x7 portraits.

Proofs will be ready 2-3 weeks after selection.

# Portrait Finish Choices

## What's the Difference?

All portraits are made to Steph's exact specifications for proper color balance and brightness. Each Old Masters or Elite print is hand-mounted to a durable artboard for maximum stability. Then Steph inspects each 11x14 and larger portrait personally for her seal of approval.

## Gallery Wrap

A very unique finish. Printed on the finest Canvas, protected with an acrylic coating and wrapped around a hidden frame. No external frame needed for this finish.

## Old Masters Finish

The finest finish available ...the final product has the appearance of an Old Masters painting. These portraits are made to Steph's exact specifications, mounted onto durable art board, and protected with a coating of acrylic. Whether you choose the canvas texture or artistic brush texture, the end result is truly stunning. The Old Masters Portrait Series includes a Lifetime guarantee.

## Elite Finish

A very nice product. The Elite Portrait is printed to exact specifications and protected with a durable finish. This finish reduces glare and UV exposure, hides fingerprints and dust, and stands the test of time. Wall portraits are mounted onto durable artboard, and desk prints 8x10 and smaller include photographic folders.

## Basic Finish

Only available on 8x10's and smaller, the Basic finish includes basic retouching and folders.

## Economy Finish

Only available on 5x7's and smaller, the Economy finish does not include retouching or folders.
