

## Proofs

Following your session you will schedule a viewing time so that we may take time to prepare your images. At your viewing time you will be asked to narrow down your selection for a contact sheet. Please have the decision makers present at this time or please schedule another viewing time. From the contact sheet you will make your proof selections and order. **Limited proofs will be included with all the Session Fees.** Contact sheets will be ready to pick up 2-3 weeks after selection. **Contact sheet must be returned with proofs selected within 3 weeks.** Otherwise proofs are no longer included with the session. They are "as is" with no retouching or acrylic protection included. Additional 4x6 proofs may be purchased for \$4.00 each. **Proofs are only available with the first order.** After that order they will be priced as 5x7 portraits. Proofs will be ready 2-3 weeks after selection.

## Payment Plan

The Session Fee is requested when the portraits are taken. The Contact Sheet cannot leave the studio until Session Fee is paid in full. Proof order must be placed within 3 weeks of picking up the contact sheet to receive proofs included with the session. 50% of the order total is due when ordering, remaining balance due upon completion of your order. Complete payment is due before any part of the finished order can leave the studio. **If order is placed & 100% paid within 3 weeks of picking up the contact sheet a 10% discount will apply to all orders.**

**Discount does not apply to proofs.**

Orders take 4-5 weeks for completion.

Please let us know if you have any other deadlines when placing your order. If a rush order is requested 100% of the balance is due upon ordering.

Plus Rush fees that may apply.

Mastercard, Visa, American Express and Discover Card accepted.

Some session may include or ask for a print credit.

**Print Credit = \$ to Order From**

# Portrait Finish Choices

## What's the Difference?

All portraits are made to Steph's exact specifications for proper color balance and brightness. Each Old Masters or Elite print is hand-mounted to a durable artboard for maximum stability. Then Steph inspects each 11x14 and larger portrait personally for her seal of approval.

## Gallery Wrap

A very unique finish. Printed on the finest Canvas, protected with an acrylic coating and wrapped around a hidden frame. No external frame needed for this finish.

## Old Masters Finish

The finest finish available ...the final product has the appearance of an Old Masters painting. These portraits are made to Steph's exact specifications, mounted onto durable art board, and protected with a coating of acrylic. Whether you choose the canvas texture or artistic brush texture, the end result is truly stunning. The Old Masters Portrait Series includes a Lifetime guarantee.

## Elite Finish

A very nice product. The Elite Portrait is printed to exact specifications and protected with a durable finish. This finish reduces glare and UV exposure, hides fingerprints and dust, and stands the test of time. Wall portraits are mounted onto durable artboard, and desk prints 8x10 and smaller include photographic folders.

## Basic Finish

Only available on Billfold portraits, the Basic finish includes basic retouching.
