### Wedding Check List

Please return to Steph's Studio at least 3 weeks before the Wedding Day.

Keep in mind that coverage's have time restrictions. There are no limit on checks but if they are outside the time span they will not be included. I will do my best to photograph all your choices but remember this is only a guide, I cannot guarantee that all will be photographed. Please put stars beside your most important choices.

Please feel free to discuss your choices with Steph at your consultation. A time line will be established at this appointment also.
